

Revival *Meetings* *in January 2012*

Ken and Lois Gott are the senior Pastors of Bethshan Church – a thriving assembly based around three congregations in Newcastle, Sunderland and Durham.

Out of the revival experience they enjoyed, Ken and Lois now have a worldwide ministry – taking revival fire everywhere with ‘Revival Now’. They have never been afraid to follow revival winds, and their hunger remains undiminished which is a major emphasis for the Church.

Their desire is to see revival throughout the United Kingdom and Europe.
